- Infrastructure Projects

ENGINEERING

- LNG, LPG and NG
- Civil and Structural
- Piping and Mechanical
- Electrical and Mechanical
- Construction
- Power
- Petrochemical
- Municipal Public Works
- New Energy
- Metallurgical
- Environmental

Energy Services Middle East W.L.L.

MEP

- MEP Consulting
- MEP Contracting
 - Mechanical Services
 - Fire Protection
 - Plumbing
 - Electrical Services
- Maintenance
- Waste Water Treatment
- Building Automation
- Power Supervision Systems / SCADA
- Energy Transmission Lines
- Low Voltage Power Supply and Distribution Systems
- Medium Voltage Switch Facilities
- Smart Building Systems
- Solar Energy System
- Closed Circuit Television / CCTV

ENVIRONMENT

- Life Cycle Analysis and Sustainability
- Legal compliance and Audit
- Environments Impact Study and Permits
- Soil Investigation and Remediation
- Environmental Responsibility
- Noise and Vibration
- LDAR services

GEOTECHNICAL

- Ground Improvement
- Grouting
- Deep Foundations
- Earth Retention
- Post-Tension Systems
- Instrumentation and Monitoring - safety and stability of buildings, excavations, bridges, railways, roads, tunnels, dams, slopes and embankments

FIRE PROTECTION

Cable Fire Protection, Cable Life Extension and Cable Repair

Products

- Intumescent coating system
- Ablative coating system
- Mortar, Fire Panel & Intumescent Sealant

Services

- Cable coating and penetration quantity surveys
- Cable condition surveys
- Installation of coating applications
- Installation of firestop products
- Quality Control of installed products
- Certification & warranty of installed products
